

FULL-BODY BED

PH-2000 SERIES

PH-2000 Nine-Wavelength Full-Body Bed

PERFORMANCE LIGHT. LUXURY RECOVERY.

The flagship full-body recovery bed. Dual canopy delivers nine wavelengths above and below in a single session — clinical irradiance, salon-grade build, in stock and ready to ship.

DESIGNED FOR PERFORMANCE

PH-2000 SERIES OVERVIEW

Light, engineered without compromise.

Every Prestige Hyperbaric panel is built around three non-negotiables: clinical-grade irradiance at working distance, color-pure wavelengths from premium dual-chip diodes, and a chassis that belongs in a luxury suite.

From the showroom to the recovery room, the PH-2000 series is engineered for daily, demanding use. Architectural finishes. Whisper-quiet thermal management. Touch-perfect controls.
